Tennant B1

Ultra high speed burnisher for professional polishing and hardening of coated floors. The Tennant B1 is an ergonomically built and easy-to-use cord burnisher, ideal for use on any hard or flexible coated floors; ceramic tiling, PVC and linoleum. Using the appropriate pad, the Tennant B1 is applied to:

- ***Produce a high gloss finish on coated floors to enhance floor appearance.***
- ***Consolidate and harden coatings to increase wear resistance, extend floor life and facilitate quick and easy maintenance.***

Features

- Ergonomically designed and comfortable to use handle
- Low profile of housing with off-centre motor
- Safety lock & double safety switch
- Quick exchange of power cable, motor and transmission
- Folding handle
- Large transport wheels
- Controlled pad resistance & floating head
- Thermic overload switch
- Low sound level (exceptionally quiet)

Benefits

- Increases ease of operation
- Optimal balance and easy access under desks & radiators
- Increases safety, prevents starting in upright position & protects against accidental starts in any position
- Easy to service
- Facilitates transport and storage
- Easy to transport over thresholds and stairs
- For optimal performance and to protect floor covering and coatings from damage
- Prevents for overheating and motor damage
- For use in noise-sensitive environments

Applications

- Retail facilities
- Healthcare
- Office buildings
- Hospitality sector
- Educational facilities
- Contract cleaning

TECHNICAL SPECIFICATIONS B1

		B1
Machine Dimensions		
Working width	cm	51
Dimensions (lxwxh)	cm	79x55x117
Min. working height	cm	17 (overlip)
	cm	38 (motor housing)
Machine weight (net)	kg	39
Polishing System		
Pad diameter	cm	51
Pad pressure	g/cm^2	5-20 (variable)
Pad speed	rpm	1100
Power		
Power source		cable
Cable length	m	20 (15 for UK)
Voltage/Frequency	V/Hz	230/50
Total power consumption	W	1500
Protection class	I/II/III	I
Sound level (DIN45635)	dB(A)	67

Configuration

- B1 Ultra high speed burnisher

  The above configuration includes as standard a flexible pad driver with centre lock.

Accessories

- Pads

Options

- Vacuum housing • Vacuum unit • Spray unit • Disposable paper filter bag

Warranty

12 Months on parts and 12 months on labour, whichever comes first, excluding wear items.
