Tennant F12

The Tennant F12 is a universal dual speed floor machine made for everyday cleaning as well as for periodical maintenance. The F12 scrubs and strips effectively at 170 rpm while doubling the speed with one button operation, which makes it the ideal machine for spray buffing and polishing.

Features

- Ergonomically designed and comfortable to use handle
- Low profile of housing with off-centre motor
- Safety lock & double safety switch
- Quick exchange of power cable, motor and transmission
- Folding handle
- Large transport wheels
- High torque in both 170 and 340 rpm
- Thermic overload switch
- Lightweight (optional extra weight)

Benefits

- Increases ease of operation
- Optimal balance and easy access under desks & radiators
- Increases safety, prevents starting in upright position & protects against accidental starts in any position
- Easy to service
- Facilitates transport and storage
- Easy to transport over thresholds and stairs
- Improves scrubbing and buffing results
- Prevents for overheating and motor damage
- Easy to control and transport
